Information about use of the facility

In the dog run the dogs can run around freely so it is dangerous and sometimes there could be collisions. When you are with small children please hold hands or always keep your eyes on them.

Please wear the wristband where it can be seen. In cases we cannot see the band, the patrolling staff may ask you to show the band, in which case, we ask for your cooperation.

**Thank you for your understanding and cooperation,
we hope everyone can enjoy the facility safely.**
